

Perseverance Of The Saints

Don't stop now.
Don't quit now.

Fix your eyes on Jesus,
The Author of our faith.
You're not a Batman with a sword,
So through away your cape.

Because the grace that came and saved you,
Oh, it isn't comatose.
So hey kid,
Why do you keep on banging your head like that?

Don't stop now.
Don't quit now.

When Christ was in the garden,
Sweating for a change...
Hey kid, we got a great High Priest
Who isn't immune to our pains.
